

# LATE TITLE FEE POLICY

**EFFECTIVE MONDAY, JULY 7, 2022**  
**MANHEIM DETROIT | MANHEIM FLINT**

Michigan Market locations have been actively pursuing opportunities that enable efficient and streamlined client services that support your success. That said, if the auction has not received a negotiable title within 5 calendar days from the day of sale (Sale Day is Day 1), the auction will then charge the selling dealership a **\$50 absent title fee.**

Please cascade this information to your Company's proper business units.

Starting on Thursday July 7, 2022, both Manheim Detroit and Manheim Flint will begin charging a late title fee on all vehicles without a negotiable title once the 5-day grace period has elapsed.

**To ensure timely processing, Manheim must receive titles by:**

3:30pm ET (Eastern Time), Mondays-Thursdays

11:00am ET (Eastern Time), Fridays

**Please send all titles to:**

Manheim Detroit
